

OLD SENNOCKIANS

CLASS OF 2026

'It is the people that provide the foundations for an institution – not the bricks and mortar. The educators and the learners combine to offer mutual gifts: the gift of opportunity, the gift of friendship and the gift of inspiration.'

Tom Sherman (OS 1992)

WELCOME TO THE OLD SENNOCKIANS

Dear class of 2026,

As you leave Sevenoaks School, a new and exciting chapter begins: one in which friendship and connections continue through membership of the Old Sennockians, a vibrant, global community of alumni whose common bond is Sevenoaks.

Our aim is to provide you with many ways to stay in contact with each other, your teachers and the school, and to promote mutually beneficial relationships for life.

The Old Sennockians offers enjoyable social occasions; access to professional networking; opportunities to contribute to the school's academic, careers and co-curricular programmes; and to champion Sevenoaks School's reputation around the world. Many OS are also involved with the school's advancement.

We hope you will enjoy and make the most of your unique, lifelong connection to Sevenoaks School, wherever you are in the world.

You will always receive a warm welcome back.

Jesse Elzinga, Headmaster

'Last night was a time to reminisce with my old friends, a chance to share some memories, and play our songs again. Like branches on a tree our lives have grown in different directions. Our branches, though, all stem from one solid trunk and the roots keep us all grounded. Thanks for your friendships so many years on.'

Devinia Coco Lavan-Iswaran (OS 1989)
